

# THE HAPPY HOUSE

Coloring and Activity Book

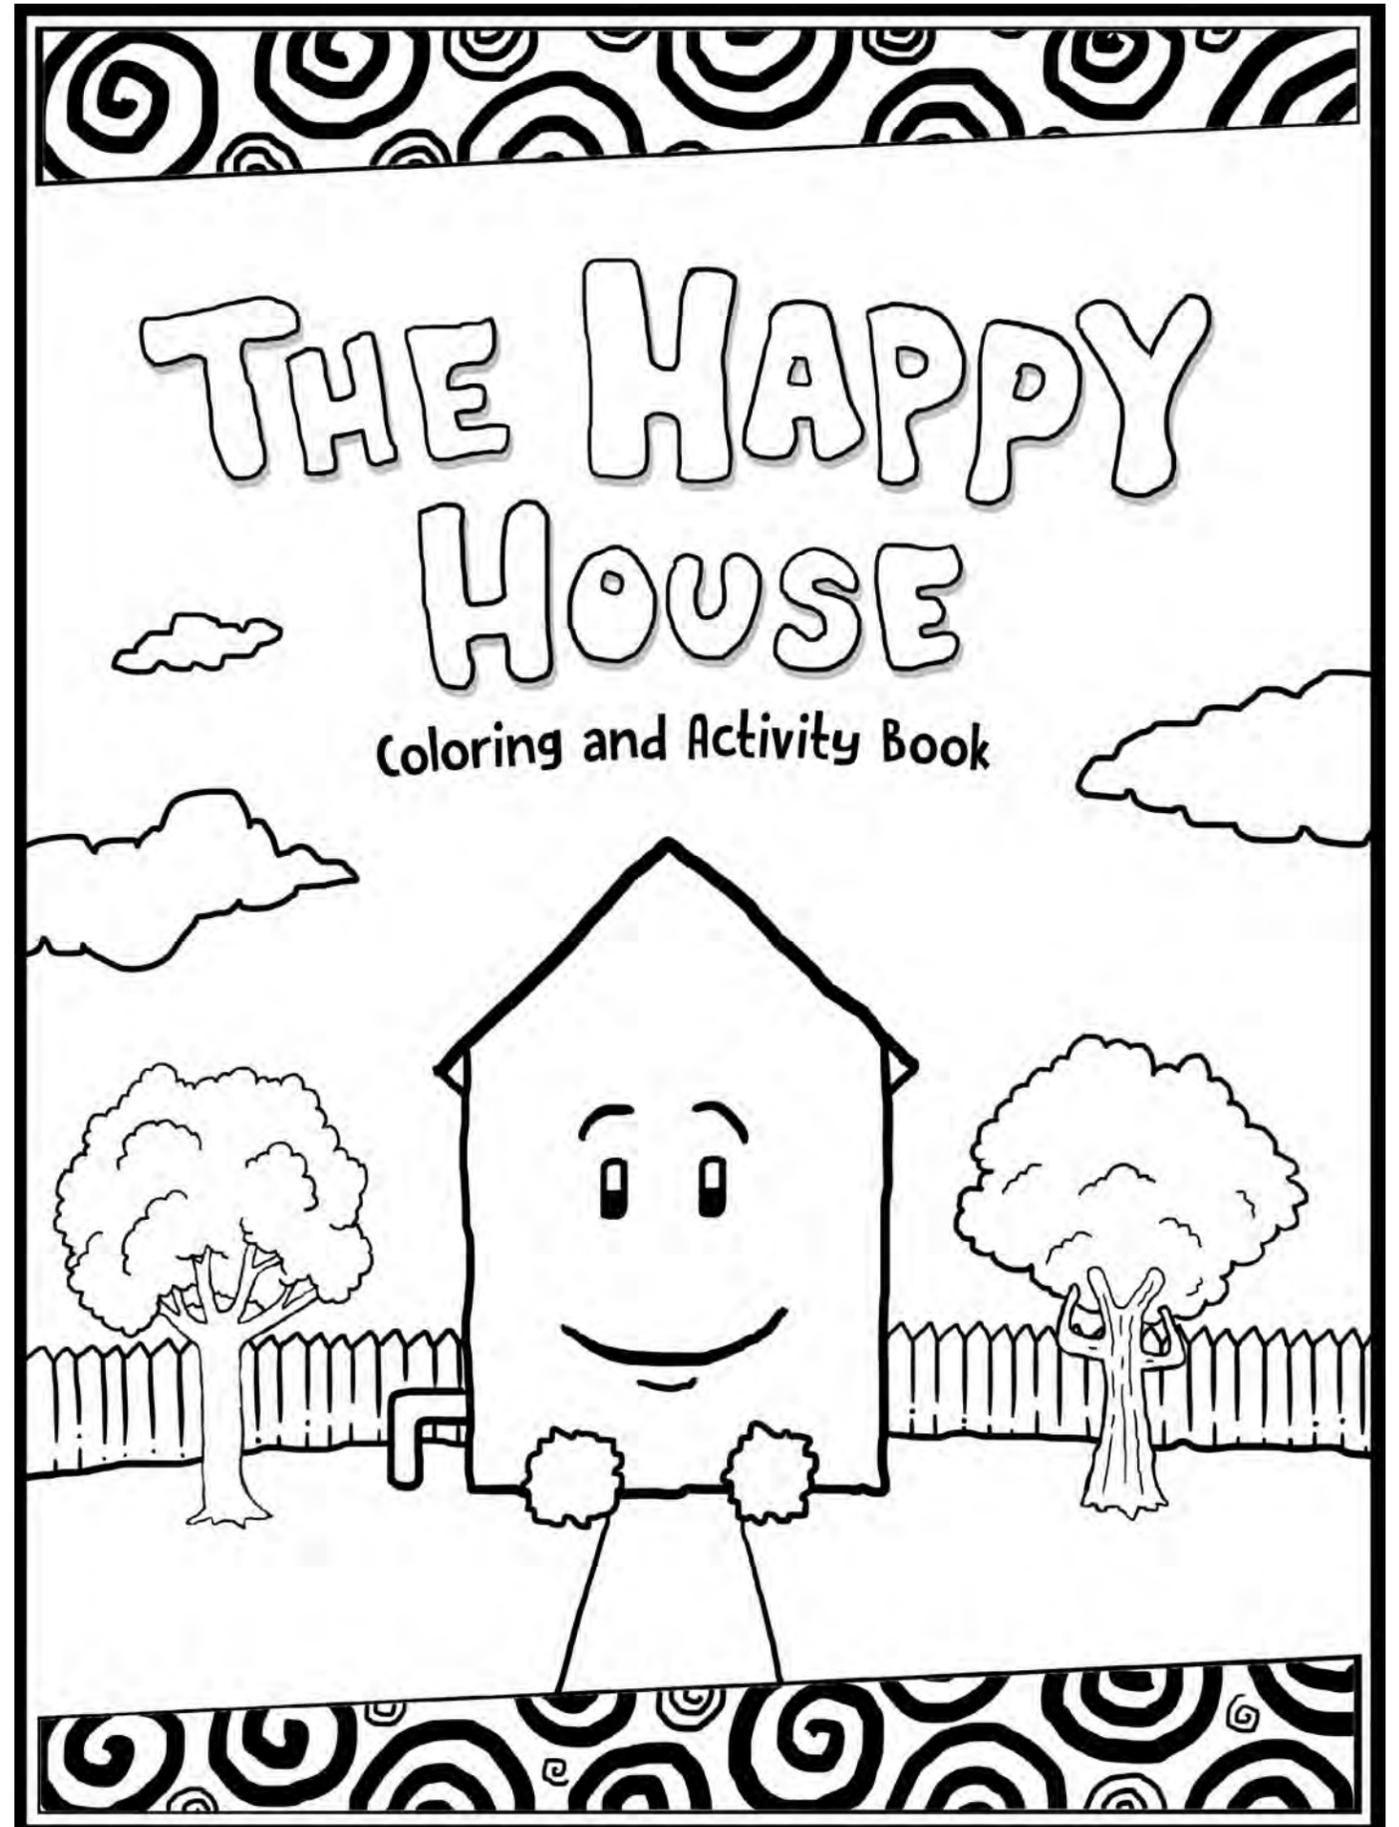

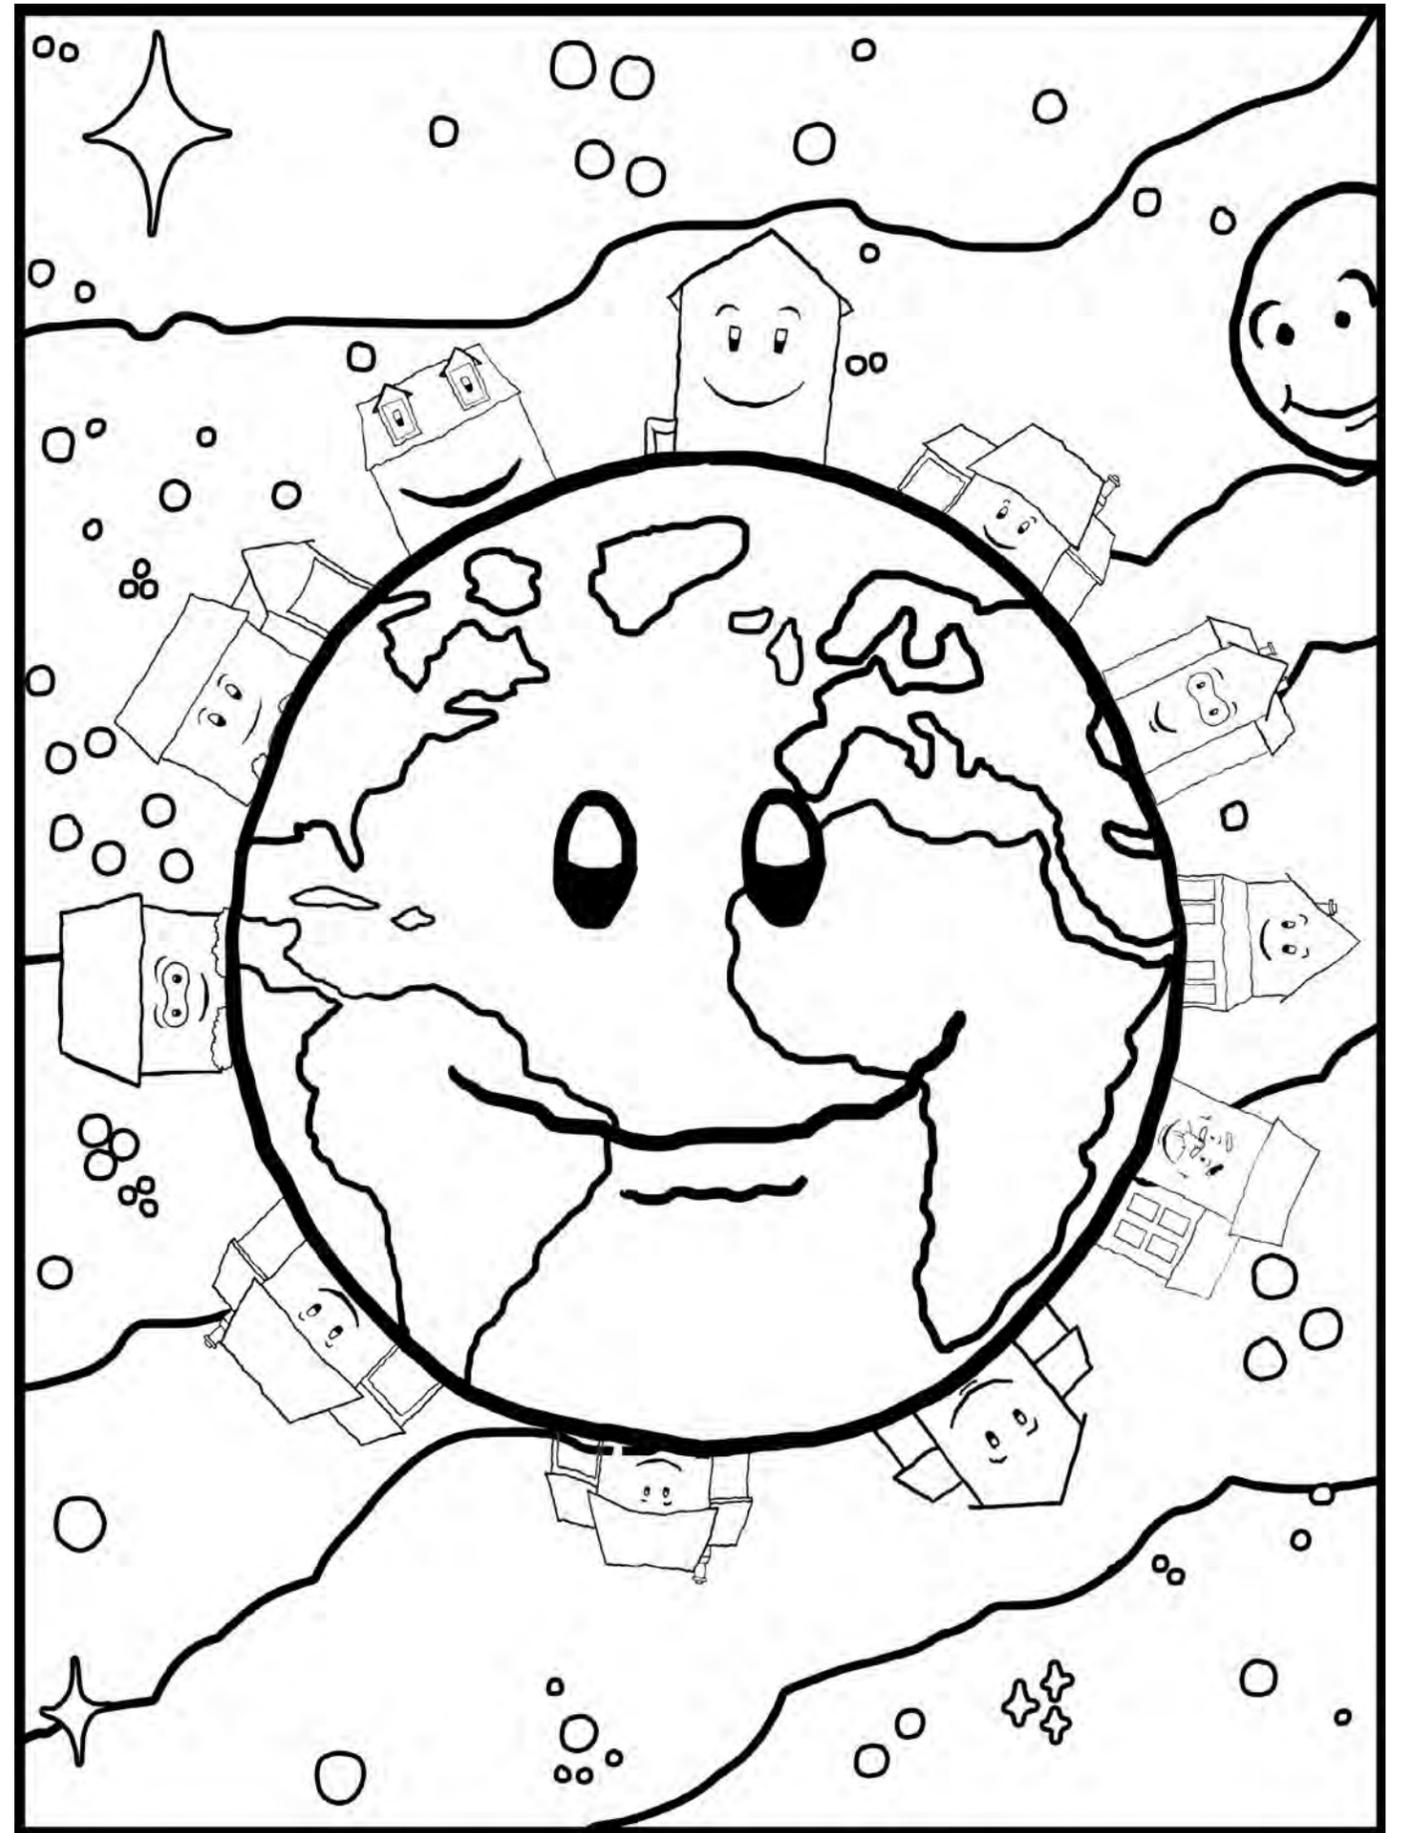

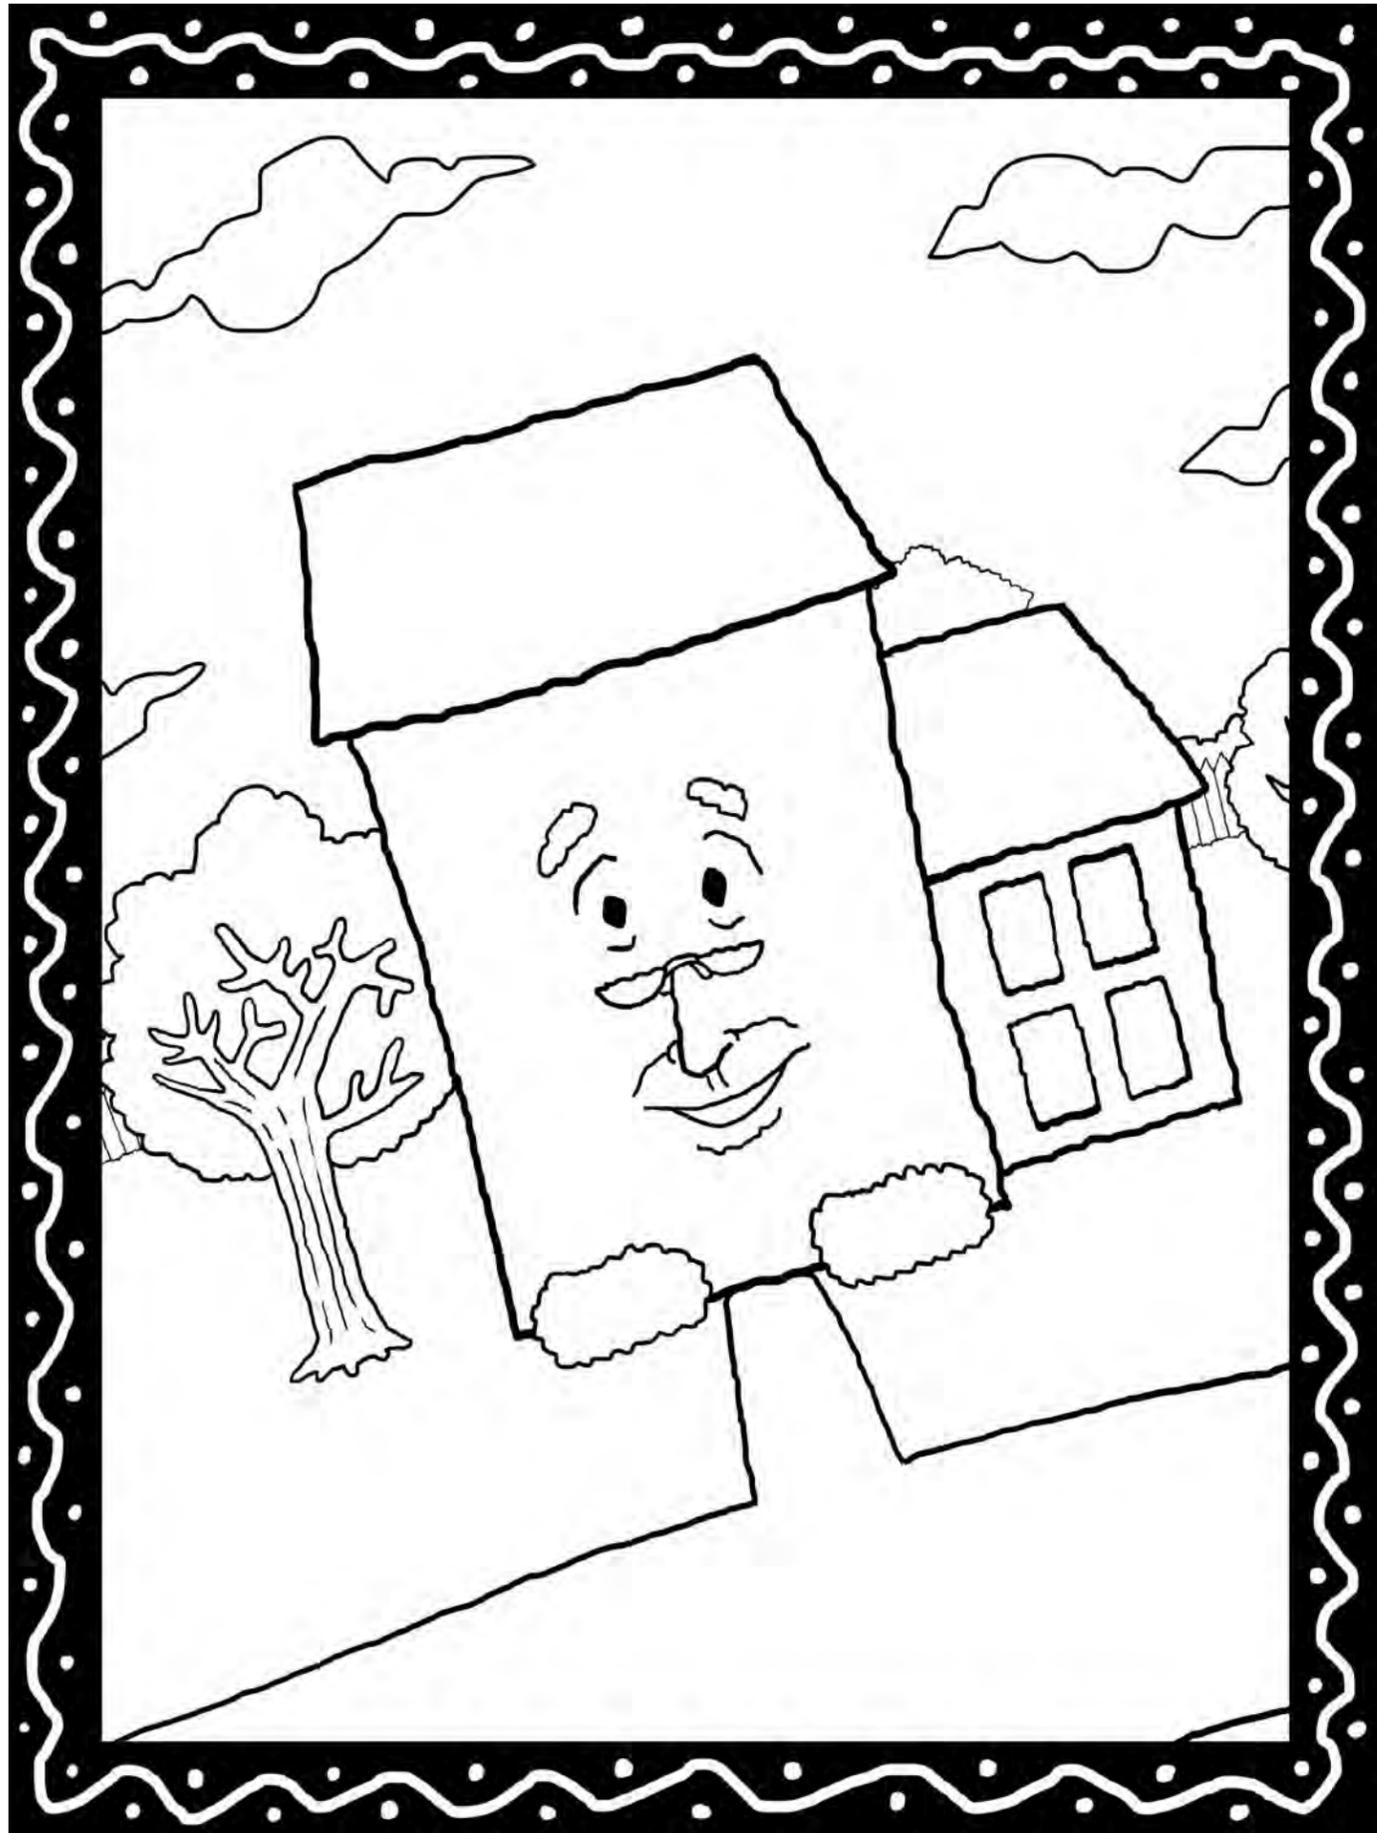

By Chris Sheppard

Legalese goes here.

No portion of this book may be reproduced or utilized in any form, or by any electronic, mechanical, or other means, without the prior written permission of the publisher.

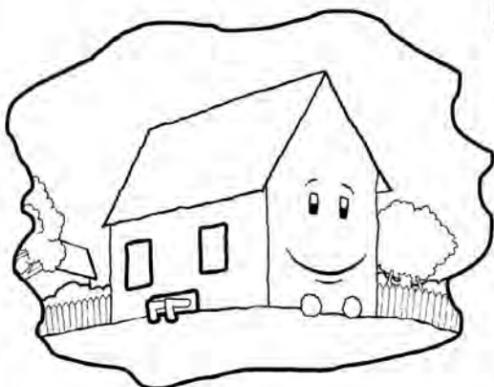

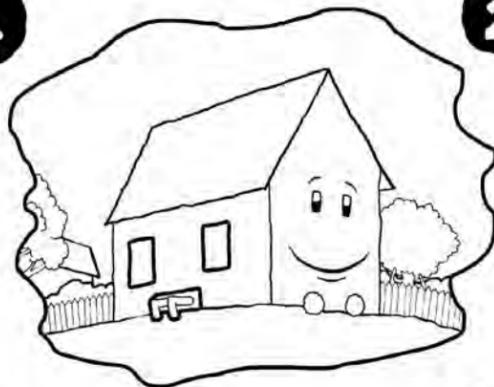

# Something's different

Color in the picture that isn't the same as the others and draw in what's missing.

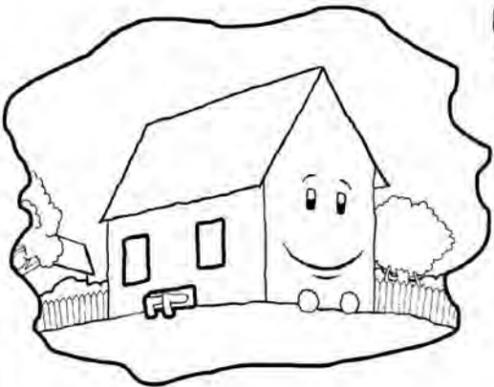

1.

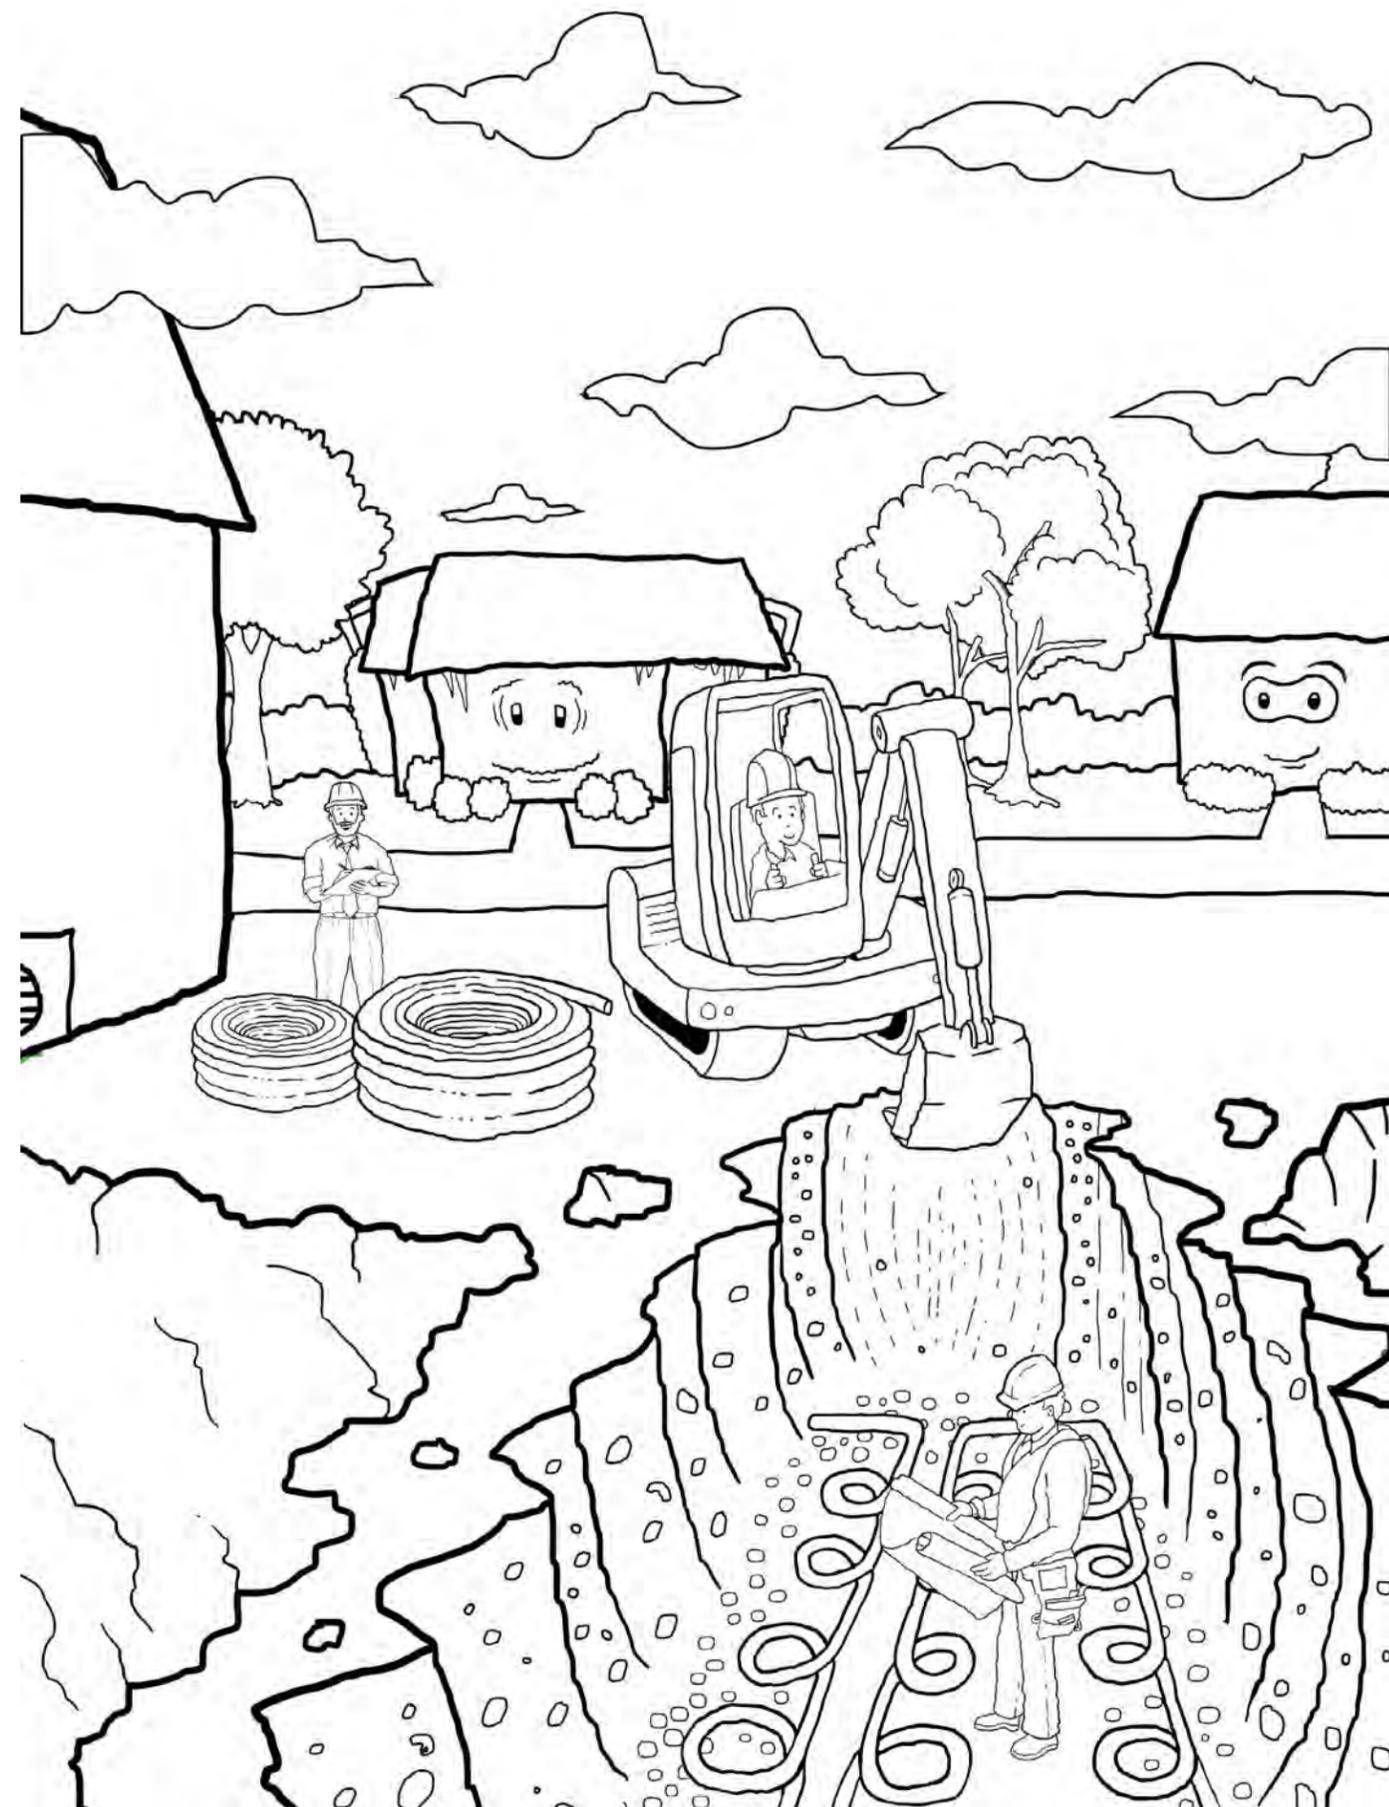

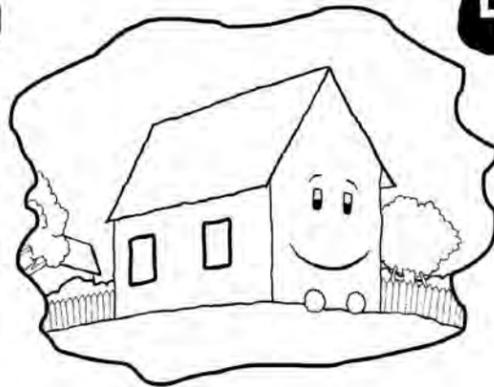

2.

3.

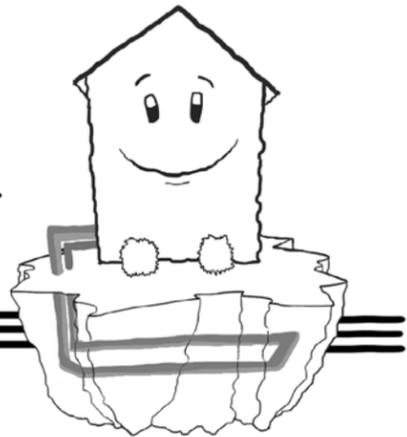

4.

# WORD SCRAMBLE

Unscramble the letters to correctly spell the words listed in the word bank. Cross off words that aren't on the list.

TEICIFNFE \_\_\_\_\_

EBMLATCOROF \_\_\_\_\_

LAOLS \_\_\_\_\_

ERLENBAEW \_\_\_\_\_

NEERG \_\_\_\_\_

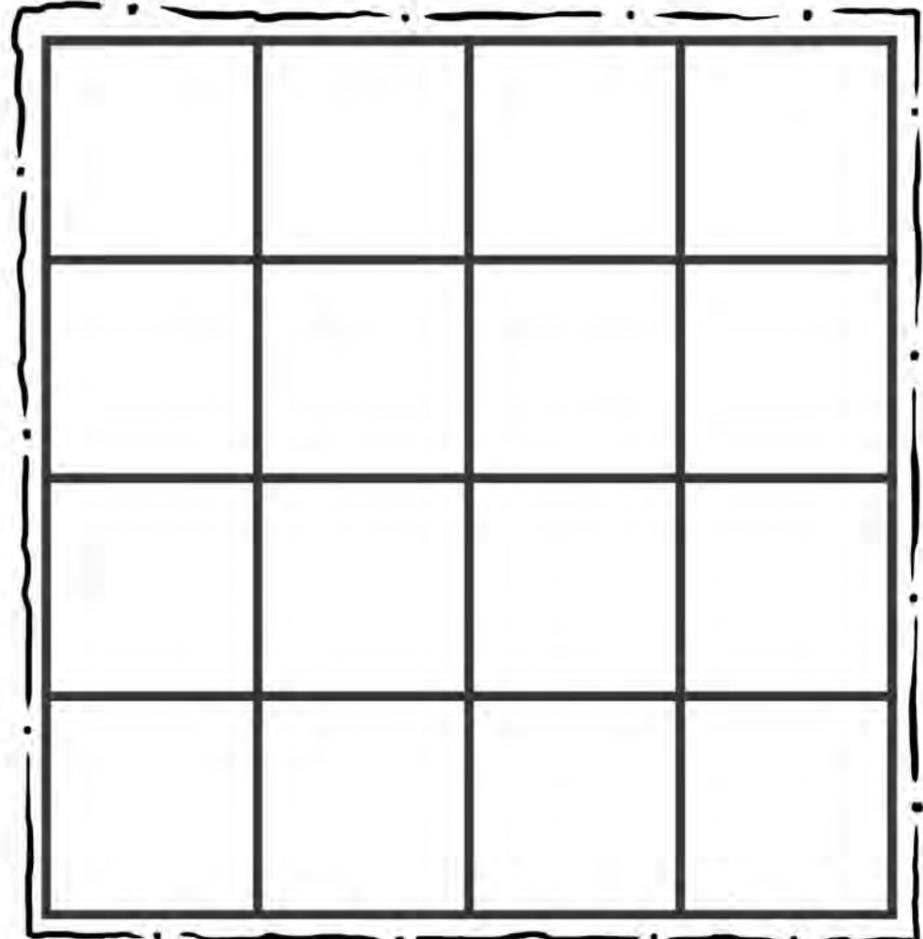

LGEAOMRTHE \_\_\_\_\_

## WORD BANK

Geothermal Comfortable Efficient  
Loop Heating Solar Cooling  
temperature Renewable Green

# DRAW THE HAPPY HOUSE

Using the grid picture as a guide,  
draw the happy house in the grid below.

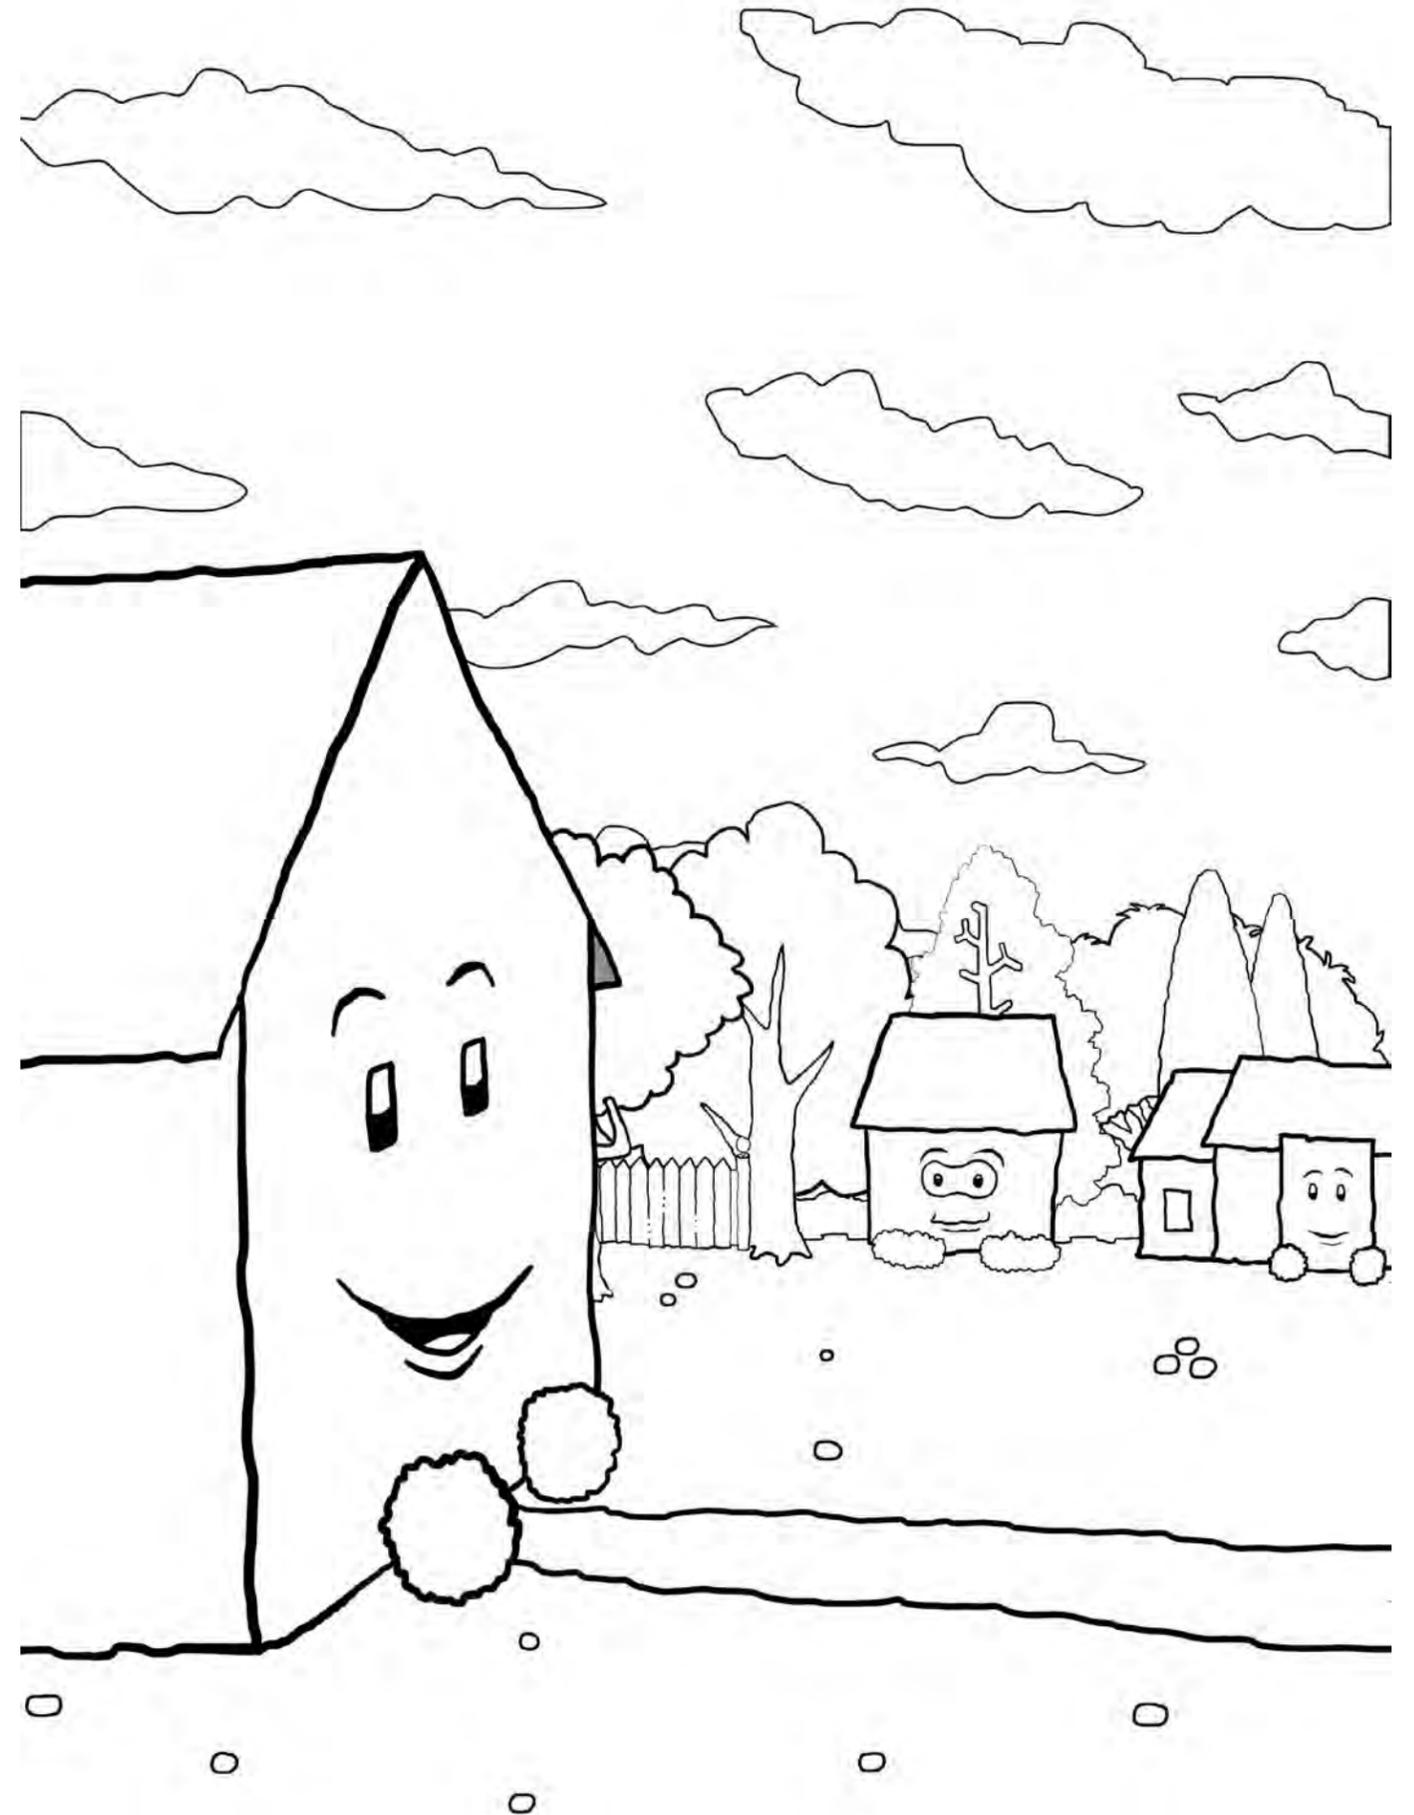

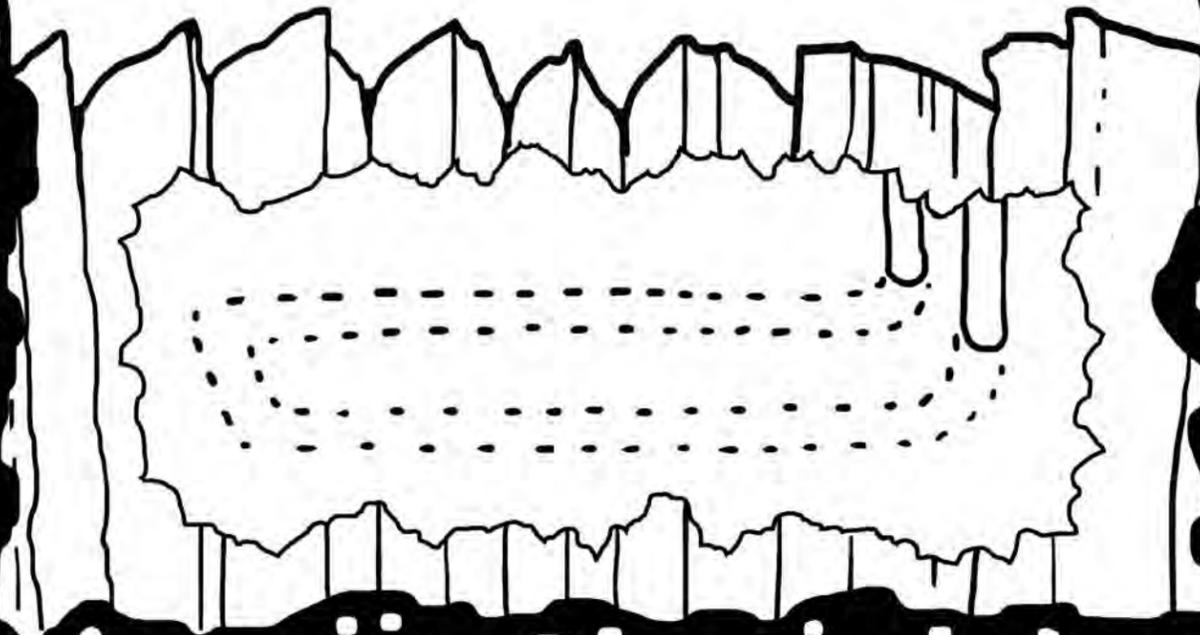

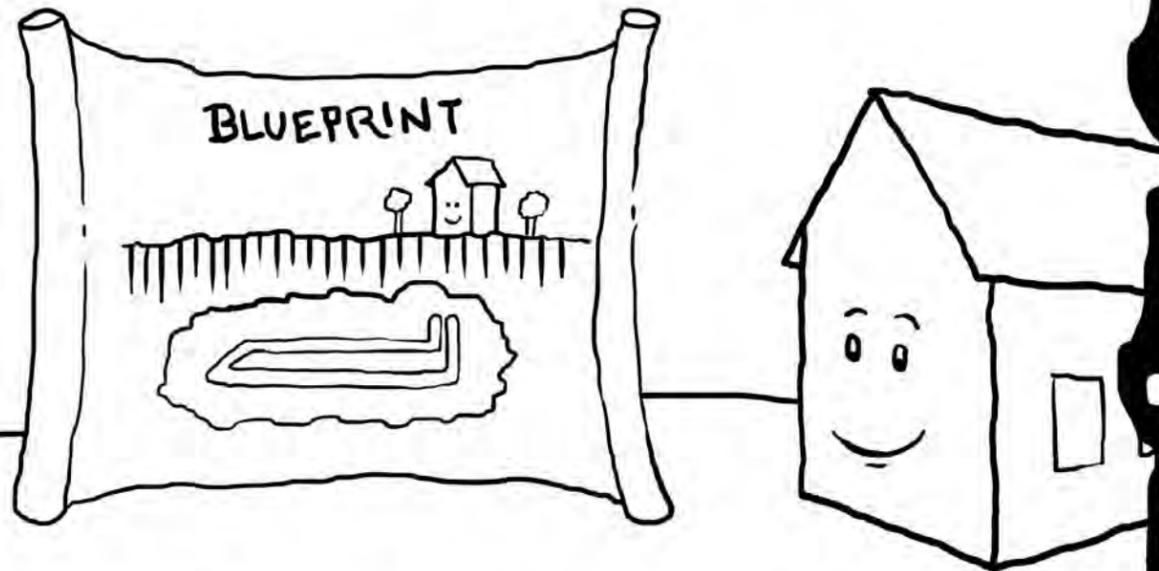

Geothermal neighborhood

# Tic-Tac-Toe

Tell your family and friends about geothermal energy while you play a tic-tac-toe challenge!

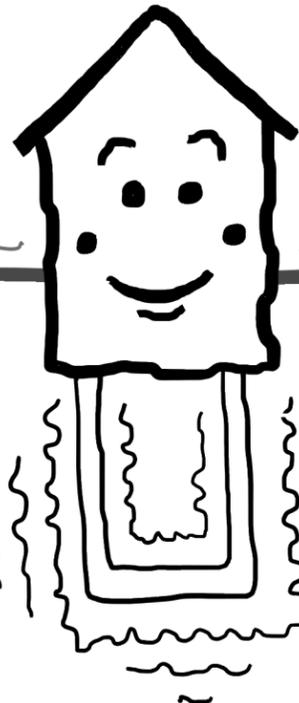

# LOOP ACTIVITY

Help the Happy House stay comfortable by connecting the dots to form an underground loop of pipe that will connect to the house's heating and cooling system.

# GEO THERMAL

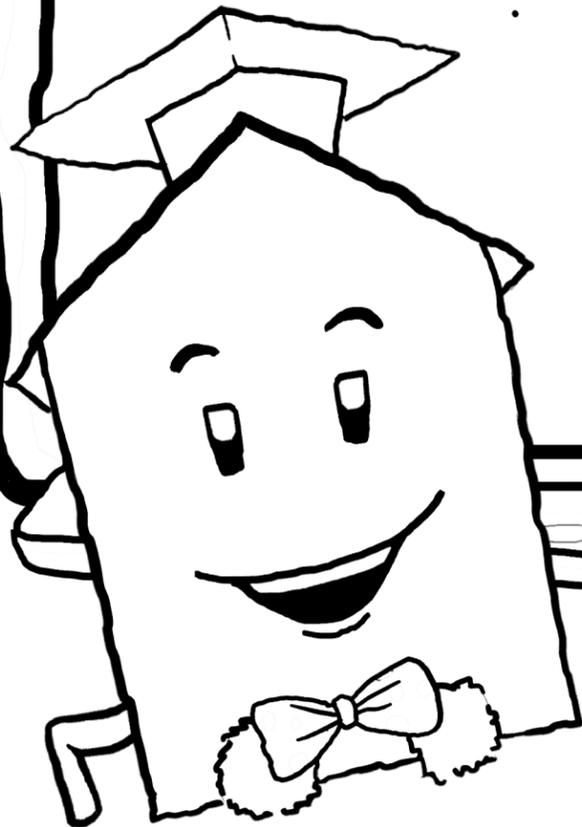

House

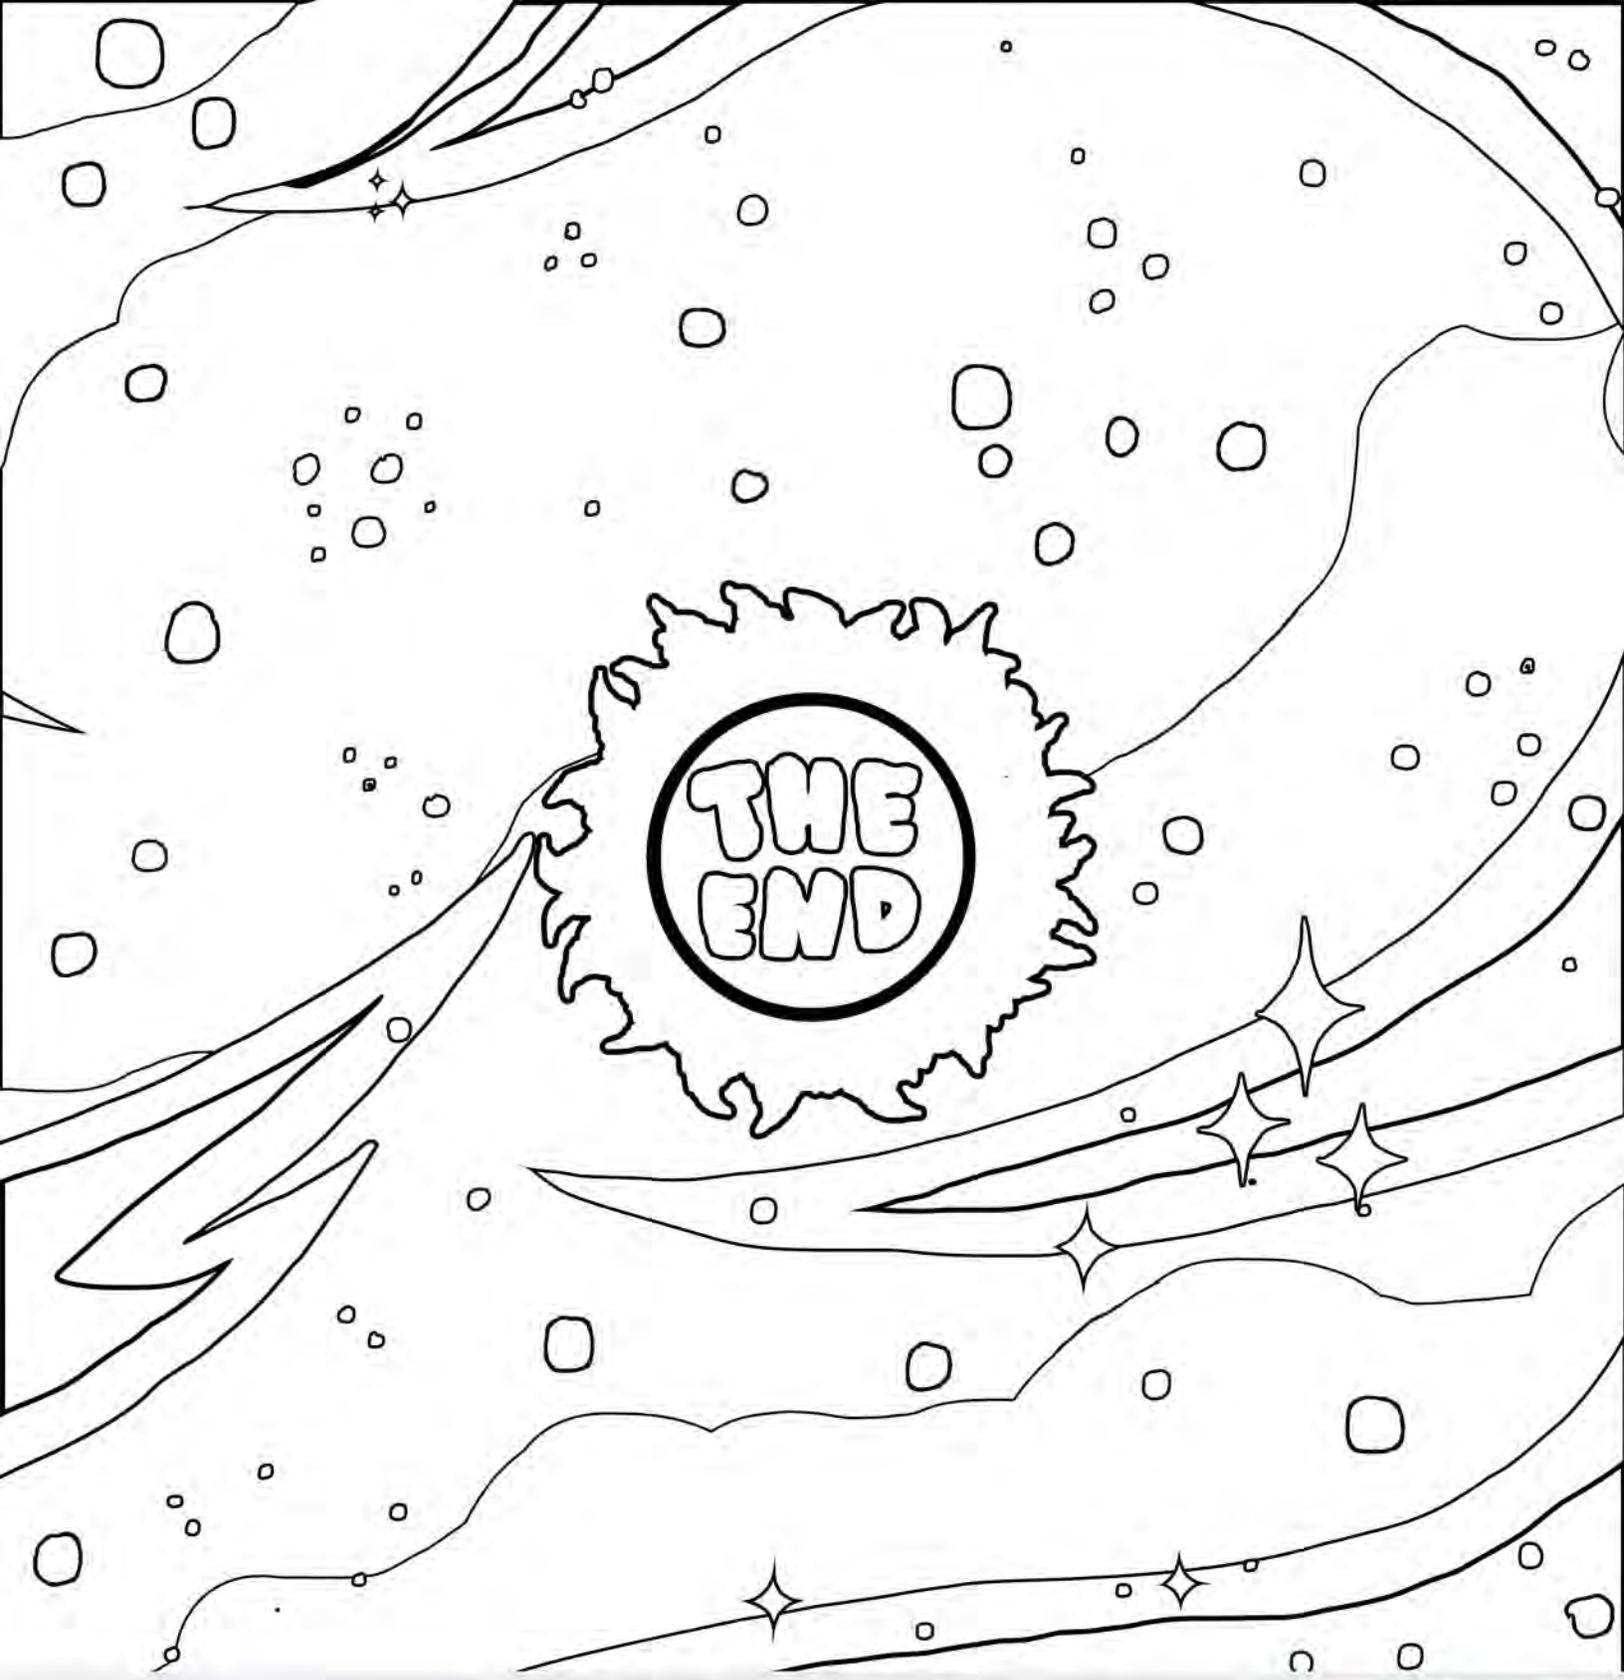

COLD  
UP HERE ☹

Warm  
DOWN  
HERE :)

GEO =   
THERMAL =
